To our customers and our community: We were recently made aware that an individual who entered our building has tested positive for COVID-19. Out of an abundance of caution and for the safety of our guests and team, we have closed to thoroughly disinfect and sanitize our entire building.

Our top priority remains the health and safety of guests and employees. We have established safety protocols in place in accordance with local, state and federal guidelines. Thank you for your support and we look forward to welcoming you back once we reopen.

Please send us a private message on [\[Facebook \(or other platform\)\]](#) or call [\[redacted\]](#) at [\[redacted\]](#) with any questions or concerns. We appreciate your support and understanding during this time and look forward to seeing all of you soon.
